

Jobin Biju

App Developer | Designer | Mentor

Address: Daisy Villa, Paraniyam, Poovar P. O, Trivandrum

Email: jobinbiju9090@gmail.com | **Phone:** +91 8281392010

Website: jobinbiju.me

Summary

Currently a student at RIT, Kottayam, and an aspiring software & hardware developer. Interested in working on IoT and Application development using Flutter. New technologies fascinate me and I love controlling hardware with software and frameworks

in

Experience

Flutter Developer – Internship

Spotix, Thrissur, Kerala

May 2021 – Present (3 Months)

Product Engineering – Internship

Aion Creative Wings, Kollam, Kerala

Nov 2020 – Present (9 Months)

Graphics Designer – Freelance

Pehia Foundation, Kerala

Dec 2020 – Jan 2021 (2 Months)

Graphics Designer – Internship

Larkcs Life Link, Ernakulam, Kerala

Mar 2020 – Aug 2020 (6 Months)

Flutter Developer – Internship

Tomercon Developers, Calicut, Kerala

June 2020 – June 2020

IoT Training – Internship

PACE LAB, Ernakulam, Kerala

July 2019 (1 week)

Skills

Flutter & Dart

C/C++, Arduino & IoT

Python & Django

Javascript

Graphics Design

UX/UI Design

Education

● B.Tech - Computer Science & Engineering

Rajiv Gandhi Institute of Technology,
Kottayam, Kerala, India

● Intermediate (Senior Secondary)

Viswabharathy Public School,
Trivandrum, Kerala, India

Area of Interest

- App Development (Flutter)
- Internet of Things
- Web Development

Volunteering

Creative Lead

TinkerHub RIT

May 2021 - Present

Technical Coordinator

IEEE SB RIT

Feb 2021 - Present

IoT Mentor

ORE, IEEE Kochi Hub

Aug 2020 - Nov 2020

RAS Vice Chair

IEEE SB RIT

Mar 2020 - Jan 2021

CS Department Head

Astronomical Society of RIT

Sep 2019 - Present

Design Lead

IEEE SB RIT

April 2019 - Mar 2020

Projects

● Taskly

Task management app made using
Flutter.

● Automatic Hand Sanitizer

A simple automatic hand sanitizer
using Arduino & Ultrasonic Distance
Sensor.

● Home-Fi

Home Automation App using Flutter,
Adafruit IO & Esp32 dev board.

Achievements

● Best Mentor Award

Achieved this award as part of
ORE for exceptional mentoring on
Internet of Things.
